CLIENT INTAKE STATEMENT AND DECLARATION

Interview date: May 2, 2026. Interviewer: M. Ellis, intake operator. Method: telephone intake followed by email document upload. Bracketed items require verification before filing.

Declarant: Amina Patel, sole proprietor of Patel Studio Interiors. Address and telephone number are retained in the confidential intake database and are intentionally omitted from this sample packet.

Statement of facts

- On March 3, 2026, I sent Northbank Properties LLC a written proposal for interior staging and related coordination services for Unit 4B at 118 Harbor Lane. The proposal listed a fixed design and coordination fee of USD 5,000.00 and estimated pass-through procurement costs of up to USD 3,500.00, subject to email approval.
- The proposal was accepted the same day by Lena Ortiz, who identified herself as property manager for Northbank Properties LLC. I relied on that acceptance and began scheduling access and contractor visits.
- Between March 10 and March 28, 2026, I coordinated access, supervised paint touch-ups, arranged furniture staging, purchased approved fixture replacements, and photographed the completed unit. The building access log shows my visits on March 10, 12, 18, 21, 24, and 28.
- On April 1, 2026, Ms. Ortiz wrote that the unit was 'show-ready' and asked me to send the final invoice. I issued Invoice PSI-1048 on April 5, 2026 in the amount of USD 8,450.00, payable within ten days.
- On April 15, 2026, Northbank refused to pay the invoice. The stated reason was that the living-room paint 'looked uneven' and that the hallway pendant lights were not approved. I dispute this. The paint issue was caused by pre-existing wall damage noted before work began, and the pendant lights were approved by text message on March 19, 2026.
- Northbank has retained the benefit of the completed work. The unit was listed for rent on April 3, 2026 and shown to prospective tenants after my work was completed. I have not received any payment.
